Please ensure you read through the notes carefully and complete the checklist before your choice of course interview.

1. You must choose each subject only once i.e. you cannot choose PE twice.
2. Study can **only** be used as a 6th option if you are studying for 5 Highers; there are no 'free' periods.
3. S3 pupils going into S4 must choose a Maths and English option.
4. Although every attempt will be made to meet your choice of course some classes may not run if there is insufficient demand or if staffing is not available. Re-Coursing after SQA results may lead to changes in classes which will be made by considering a wide variety of factors in relation to individual students and not on a first come first served basis.
5. You should refer to your report and recommendations from your teachers to help you make your choices.
6. Checklist – complete this checklist before attending your interview.
