

Key Dates for Course Choice process 2020

To Support the process of moving into Senior Phase

January / February

- From **Monday 13th January until Friday 27th January**, the Senior Leadership Team i.e. HT, DHTS will hold 1:1 meetings with parents/carers and their youngster.
 - Aim of this meeting is to discuss the process, think about learner pathways and possible positive destinations
- Meetings with Skills Development Scotland (careers advisor) will take place in the weeks following the 1:1 meeting above. Further meetings can be arranged and if required parent/carer can join these meetings

March

- On **Monday 2nd March**, the Course choice forms will be issued to all S3, S4 and S5. This will provide the range of courses and levels we will be offering within KHS.
- During the school day on **Monday 2nd & Tuesday 3rd March**, all young people within S3 will attend a series of presentation from members of each department. These course choice presentations allows staff to expand on the information about each of the courses, what will be taught and possible pathways throughout the Senior Phase.
- On **Tuesday 3rd March**, you and youngster will be invited to attend our Careers Fayre. This is held in the evening within our school canteen, it is on a drop-in basis and allows discussions with partners, businesses and college/university on possible career pathways.
- On **Wednesday 4th March**, the tracking report will be issued. This will indicate the course and level that is recommended for each subject to aid the course choice process.
- On **Tuesday 10th March** we hold our annual S3 Parents' Evening. During this evening it is important to discuss current progress and recommendations for future study.
- On **Friday 13th March** we ask all our young people within S3 to attend a short meeting with either a member of our Pastoral Team or DHT/HT. This will allow us to enter the course choices into our ICT programme with a link email sent to you to confirm what has been entered.

June

- On **1st June**, our new timetable will begin
