

Music Technology

What Will I Learn

1. How to use Digital Audio Workstations such as:

ProTools

MixCraft7

Logic Pro X

2. How record live sounds, use pre recorded loops, effects etc.

3. How to use the correct microphone for the correct situation.

What Will I Do?

4. Create multi Track recordings. Add suitable effects and controllers. Edit tracks, overdub, use compression, EQ, reverb, delay etc. etc.

5. We will produce a finished piece of the following: Podcast, Multi instrumental band recording, Audio Book or Film Foley.

What Will I Achieve?

By the end of the course you will have produced a piece of work that meets all the requirements of National 4 Music Technology and will be awarded accordingly .

Do I need to be able to play?

There is no requirement to play an instrument, use your voice or sing in Music Technology. Performers and voice actors can be arranged.
