Cheviot Youth Pantry @The Planet (next door to the Borders Ice Rink)

Extension of and changes to our service.

Open every Tuesday, Wednesday and Thursday 11.30 am to 2.00 pm

The Cheviot Youth Pantry Service is now open three days a week. This will help spread the appointment times, allow our staff team to provide a better service and continue our strict building lockdown measures. This will come into effect from week beginning Monday 18th January with particulars set out below:

We will

- Continue to provide a range of fresh, frozen and tinned food to take away; but no hot snacks, tea/coffee and no hot dish of the day.
- Encourage all our customers to ring to make an appointment so that most of their food order will be made up and ready for collection.
- On arrival at the entrance door to The Planet customers are asked to knock on door, or window or ring the number 01573 228285 if no one visible to make themselves known.
- All customers will be seen from a safe distance by a Cheviot Youth team member who will take note of any special requirements. The £2 service fee will be placed in the box at the door.
- The order will be completed in a matter of a couple of minutes and placed outside The Planet's front door for collection.
- In an emergency Cheviot Youth will arrange a grocery delivery; this service will be left to referring agencies judgement.

Cheviot Youth is a charity registered in Scotland.
Registered Address: The Planet, Abbotseat Road, Kelso TD5 7SL
