**Please ensure you read through the notes carefully and complete the checklist before your choice of course interview**

- Please make full use of our SWAY document to find out more information about each subject.
- No subject may be selected in more than one column. Please use the Microsoft Form that will be provided to select your choices & indicate your reserves in 6<sup>th</sup> & Skills columns.
- When choosing your Science subjects please ensure you pick subjects at the level you were recommended.
- While every effort will be made to allocate you a place in your choice of subjects, this is not always possible due to restrictions in class size and availability of staff. In this case your Pastoral Teacher will discuss further choice options with you.
- **It is very important to submit your completed form by Friday 19 March 2021**

I have made 7 choices & 2 reserves.		I have checked my course recommendations and selected the recommended levels.
