Kelso High School S2 into S3 Choice of Course 2023/24

Please ensure you read through the notes carefully and complete the checklist before your choice of course interview

- Please make full use of our SWAY document to find out more information about each subject.
- No subject may be selected in more than one column.
- When choosing your Science/Modern Language subjects please ensure you pick at the level you were recommended.
- While every effort will be made to allocate you a place in your choice of subjects, this is not always possible due to restrictions in class size or availability of staff. In this case your Pastoral Teacher will discuss further choice options with you.
- It is **very important** to bring your completed course choice form to your meeting with Pastoral/SLT on Monday 27th February 2023

I have made 7 choices & 2 reserves.		I have checked my course recommendations and selected the recommended levels.
