23rd November 2021

Welcome

Due to COVID-19, we are unable to host our traditional Celebration of Achievement Evening. This yearly event is important to us and provides a platform to formally recognise and celebrate the huge variety of successes that the Young People from our school have achieved over the past year.

Within our school calendar, this evening event is one of our highlights and so we have had to think creatively how to meet and pass on our congratulations to all those who have been nominated this year. We appreciated that it is not the same however, at this present time, it is vital that we create memories and opportunities to share with the wider community.

At Kelso High School we continue to take PRIDE in ourselves, our school and in our community: we are certainly extremely proud of all of our young people and of course, the achievements highlighted within our programme.

The continued support from parents and friends of the school is greatly appreciated and is undoubtedly a fantastic strength that we as a community have.

We wish you all every success for this year.

**Presentation of
Freedom of Kelso High School Award to
Dean Weatherston**

After leaving KHS, Dean travelled to Ghana to do volunteer work before returning to resume a career in hospitality first at Kelso Golf Club and then as Assistant Hotel Manager at the Black Swan. He has worked for John Hogarth Ltd for just over ten years and is currently the Assistant Mill Manager.

From a young age Dean had a passion for volunteering in the community and has spent the past 15 years on the community council, with the last four years as Chairman and Provost of Kelso.

Dean has a nine year old daughter Eden who goes to Broomlands Primary School and in August married KHS Maths teacher, Fiona Pow.
