Shapes of Kelso

Art sessions for young adults aged 16–26 years

Six sessions using clay, paint and other materials.

We will be looking at shapes in Kelso and making our own images and pieces of art.

No art experience necessary!

These will be fun, hands-on sessions with refreshments and all equipment provided.

In April we will run follow on sessions looking at working in arts and crafts.

Starting Thursday 20 February, 2-4pm

Run by Louise, CLD Service and Melanie, Artist.
