# Kelso High School S2 into S3 Choice of Course 2026/27

***Please ensure you read through the notes carefully and complete the checklist before your choice of course interview***

- Please use the SWAY document to help you learn more about each subject before making your choices.
- You can only choose a subject once and it cannot appear in more than one column (except for Choice 6).
- When selecting your Science and Modern Language subjects, please choose the level recommended by your class teacher.
- We will do our very best to give you your chosen subjects. However, due to class size limits and staff availability, this isn't always possible. If this happens, your Pastoral Teacher will meet with you to discuss other options.
- **Please remember to bring your completed course choice form to your meeting with Pastoral/SLT on Tuesday 10th March. You will be given a time slot for your meeting, which will take place in the Library.**
