Dear Parent/Carer,

S6 Information Evening – Thursday 11th June 2026

Your youngster has begun their final year at Kelso High School and therefore we would like to invite you and your young person to attend our **S6 Information Evening** on **Thursday 11th June at 6.30pm** in the Assembly Hall.

The purpose of the evening is to formally welcome our new S6 learners and their families and to share important information about the year ahead. S6 is a unique and exciting stage in a young person's educational journey. It brings a range of opportunities for leadership, personal achievement and wider participation, but also increased responsibility and higher expectations.

Throughout the evening, members of our Senior Leadership and Pastoral Teams will outline our vision for S6 and provide practical guidance to help learners make the most of their final year at school.

Topics covered will include:

- S6 expectations, responsibilities and leadership opportunities
- Key dates, events and important deadlines throughout the year
- Strategies for managing workload, study commitments and wider responsibilities
- Building positive relationships with peers, staff and the wider community
- Preparing for positive destinations beyond school, including university, college, employment and apprenticeships

We recognise that the transition into S6 can feel both exciting and challenging. The evening will provide an opportunity for learners and families to gain a clear understanding of what to expect, learn practical tips for success and ask any questions they may have.

At Kelso High School, we believe that S6 is a privilege and an opportunity to leave a positive legacy. We look forward to working in partnership with you to ensure that your young person has a successful, rewarding and memorable final year.

There will be an opportunity for discussion and questions at the end of the session.

I look forward to welcoming you on the evening. In the meantime, should you require any further information, please do not hesitate to contact the school.

Yours sincerely,

J Lothian
Head Teacher
